He walked along the edge of the dense growth, which now covered several acres. He came to a section where the predominant color was purple. It was strangely different from the rest of the garden. There were tall whirligig derricks but they were frozen, unmoving. And covering all the derricks was a translucent network of ten-centimeter-wide strips of plastic, which was thick enough to make an impenetrable barrier. It was like a cobweb made of flat, thin material instead of fibrous spider-silk. It bulged outward between all the crossbraces of the whirligigs..To tell you the truth, I was wondering what to say next. We have to make a thorough inventory. I guess we should start on that."."It can't work."..a ... a headstone, a monument.
